

## YOU ARE STUDYING IN FRANCE

Do you need to see things more clearly and to know more about your procedures as an insured ?

You are wondering about :

**Your health coverage**

**Your access to rights**

**Your social student file**

Teams from the CPAM de Meurthe-et-Moselle, the Caf de Meurthe-et-Moselle and the Crous Lorraine, in partnership with the student health services of the Université de Lorraine and the Région Grand-Est, will be at your side in September to help you with all your formalities.

**To prepare for the start of the 2026 school year together, consult the calendar on the back and join them !**

You are an international student : **to benefit from the coverage of your health costs, scan this QR Code** and let yourself be guided for your affiliation.

# Pause café, pause papiers

2026
